Admission information for the bachelor program
Psychology - Cognitive Sciences (in English)

Extract from:

The regulation for organizing the admission process for the bachelor degree study programs, Faculty of Sociology and Psychology, WEST UNIVERSITY OF TIMISOARA (WUT) *Academic year 2023-2024,* https://fsp.uvt.ro/admitere-licenta-2023/

Bachelor's degree programme	Field of bachelor's degree studies	Education form	Teaching language	Maximum number of students that can be enrolled	Number of places allocated from the state budget	Number of transferable study credits	Accreditation status
Psychology – Cognitive Sciences (in English)	Psychology	with frequency	English	60	25	180	authorized to operate provisionally

The curricula for all undergraduate degree programmes for which the Faculty of Sociology and Psychology is organising an admission process are available online at: https://fsp.uvt.ro/educatie/bachelors-degree/?lang=en

Categories of candidates

● [...] citizens from member states of the European Union / European Economic Area/ Swiss Confederation who possess the **Certificate of Recognition of Studies** issued by the National Center for the Recognition and Equivalence of Diplomas (CNRED). The admission process will take place under the same conditions as for Romanian citizens (provided that the requirements for recognition and equivalence of diplomas are respected). *The procedure for the validation and equivalence of diplomas can be done by the candidate, by submitting the necessary files directly to the Ministry of Education and Research, or with the help of the International Relations Department, at W.U.T* - find detailed information on the website https://ri.uvt.ro/en/e-u-citizens/.

● Foreign citizens from non-EU countries – find detailed information on the website https://ri.uvt.ro/en/foreign-students-eu-third-countries/ and on the admission platform dedicated to non-EU citizens https://admiterenonue.uvt.ro/auth/login?return=%2Fcandidat

Registration for the admission process

(1) Registration for the admission process is done in person, exclusively online, on the basis of your identity card/passport, your personal identification data and the other information requested on the application form available on the admission platform -

Universitatea de Vest din Timişoara

The regulation for organizing the
admission process for the bachelor
degree study programs

   o Distinctions in national or international English language Olympiads, certified by the Ministry of Education (1st, 2nd and 3rd prizes);
   o Candidates who do not hold an International Certificate of Proficiency in English will take the LIT test, minimum level B2**.**
7. Foreign citizens from non-EU countries - find detailed information on the website https://ri.uvt.ro/en/foreign-students-eu-third-countries/

Contest/admission tests

(1) Admission to undergraduate studies at the Faculty of Sociology and Psychology, [...], is made through competition, based on the tests established by this regulation, thus:

- The bachelor's degree Program ***Psychology – Cognitive Sciences (in English)***
  1. WUT language and reasoning assessment test (**60% of the admission average**);
  2. General average in the baccalaureate exam (**40% of the admission average**).

The regulation for organizing the
admission process for the bachelor
degree study programs
Faculty of Sociology and Psychology

Page 3 of 7

Minimum criterion: the overall average of the baccalaureate exam must be equal to or higher than 7.00. Applications that do not meet this criterion will not be admitted.

Enrolment in this undergraduate programme is subject to the possession of an English language proficiency certificate (minimum level B2)
In the case of equal averages, the following criteria will be applied:

1. The grade obtained in the written examination by the baccalaureate in Romanian Language and Literature or native language for foreign candidates.
2. The grade obtained in the written test of the subject of your choice, according to the profile/specialisation of the high school, in the baccalaureate examination.

(2) Admission process to the undergraduate program Psychology - Cognitive Sciences (in English), only for candidates who have not graduated in Romanian, the admission test will be held in English.

Admission average

(1) The minimum overall average for admission to undergraduate degree programs organized by WUT may not be less than 6.00 (six), provided that none of the grades obtained in the competitive examinations is less than 5.00 (five).

(2) The overall admission average is calculated to two decimal places, without rounding, according to the following formula:

MA – Admission average, MB – Baccalaureate average, T- UVT test of language and reasoning skills

a. Psychology – Cognitive Sciences (in English) : $MA=MB*0,4+T*0,6$

(1) The admission process for foreign nationals from EU third countries takes place between 1 March 2023 (from this date the Department of International Relations accepts applications) and 1 September 2023 (date by which the Department of International Relations accepts applications).

(2) For students with disabilities, based on supporting documents, the admission tests may be adapted according to the type and severity of the disability. These include alternative ways of reading the text (large print, Braille, reader, screen reader), extra time for solving tasks, etc.

(3) For candidates with specific learning disorders and sensory disturbances, on the basis of the diagnostic certificate issued by the competent bodies, upon request, the adaptation of the examination procedures in the admission process, it is done by:

a) providing additional time to the time initially allocated for the elaboration of the work;

b) in the case of candidates with dyslexia, the reading of the subjects is carried out by a member of the admission committee at faculty level; the subjects are read in turn, in the order in which the work must be elaborated;

c) in the case of candidates with dysgraphia, the candidate has the right to oral evaluation or will dictate the content of the paper to a member of the faculty admissions committee;

d) in the case of candidates with dyscalculia, the use of pocket/office calculator, Pythagorean board or formula tables is provided.

Fees

(1) At the Faculty of Sociology and Psychology, the admission process involves the payment of two types of fees, according to the decisions of the WUT Senate. Fees are paid online from the candidate's file. [...]:

 - registration fee 200 lei -by paying this fee, the registration for the admission process is completed and the candidate can participate in the admission tests

The regulation for organizing the
admission process for the bachelor
degree study programs
Faculty of Sociology and Psychology

Page 7 of 7

- registration fee 150 lei - this fee confirms the student's place obtained as a result of the admission process

More details on the website https://admitere.uvt.ro/en/procesul-de-admitere/cuantum-modalitate-de-plata-a-taxelor/

(2) Candidates from non-EU countries, the European Economic Area and the Swiss Confederation pay an application fee of 75 euros (for processing the application for admission). More details about the annual tuition fee on the website https://ri.uvt.ro/en/foreign-students-eu-third-countries/

(3) Until 2 August 2023, for the July admission session, and until 19 September 2023, for the September admission session, students admitted to the undergraduate degree programme on fee-paying places are required to pay 30% of the annual tuition fee. In case of non-payment within the deadline, the student will lose his/her allocated place.
